MEMORANDUM FOR DEFENSE LOGISTICS AGENCY (DLA) CHILD CARE PROGRAM
PARENTS AND STAFF

SUBJECT: 2009 H1N1 FLU (SWINE FLU) GUIDANCE

DLA HQ has pulled together some general information on the flu and the H1N1 virus from the Centers for Disease Control and Prevention (attachment 1), and as well as specific guidance for helping Child Care Programs respond to influenza (attachment 2). At attachment 3 are the local influenza prevention and response procedures as outlined by your child care service provider.

Please take a few moments to read the enclosed information. As always, the health and safety of all the children enrolled in our Child Development Programs is our first priority. My point of contact for this action is Ms. Deborah Reeves, the DLA Child Development Program Manager, (703) 767-7103, DSN 427-7103, or e-mail: deborah.reeves@dla.mil. You may also contact your local Child Development Center (CDC) for more information.

THOMAS M. LAFFEY
Colonel, USAF
Director, DLA Enterprise Support
